FINISHING & DEBURRING | PARTS CLEANING | WASTE WATER TREATMENT | SHOT BLASTING | ABRASIVES & CHEMISTRY

December 30, 2019

To our valued Customers:

As 2020 begins, we write to inform you that we have received price increase announcements across the board on equipment, abrasives and chemistries. Worldwide pressures on wages, materials, healthcare and transportation have greatly impacted ourselves and our manufacturing partners. At this time, we find that we must pass along these increases on Mass Finishing media, Finishing and Cleaning chemical compounds.

All product pricing will increase by 3%

The above price structure changes will begin with shipments February 1, 2020.

If you are unsure whether the items we supply to your company will be affected, please contact your sales person or our office for pricing confirmation.

As always, we appreciate the opportunity to be of service. We also take this opportunity to wish you a safe and prosperous New Year.

Sincerely,

Dan O'Connor
